(Chorus)

Though I'm missing you
(Although I'm missing you)
I'll find a way to get through
(I'll find a way to get through)
Living without you
'Cause you were my sister, my strength, and my pride
Only God may know why, still I will get by

I would've known, that you had to go
But so suddenly, so bad
How could it be, not a straight memory worthy of All that
we had made
Now that you're gone, every day I go on (I go on)
But life's just not the same (life's just not the same)
I'm so empty inside, and my tears I can't hide
But I'll try, I'll try to face the pain

Repeat (Chorus)

Oh, there was so many things That we could have
shared, uh-huh
And time was on our side (time was on our side)
Ooh, yeah
Now that you're gone, I can still feel you near
So I'll smile, with every tear I cry

Repeat (Chorus)

How sweet, were the losses to spare?
But I'll wait for the day
When I'll see you again, see you again, yeah

Repeat (Chorus)

I'm missing you
