"Flame Of Peace"

Visit "[Flame Of Peace](#)" on MotoLyrics.com

This is a peaceful movement
No need for guns or bullets
No need for hate or violence
This is a peaceful movement

Illusions aren't fulfillment
Change is ever present
Life is what you make it
Ready to take it all on

It is what it is yeah na na na
It is what it is yeah na na na
Your trying to make it something that it's not
Don't try to make it something that it's not
It is what it is yeah na na na
It is what it is yeah na na na
Trying to sell me something I don't want
Trying to feed me something I don't want

Isolation propoganda desolation war
Isolation propoganda desolation war
Isolation propoganda desolation war
Isolation propoganda desolation war

It is what it is yeah na na na
It is what it is yeah na na na
Your trying to make it something that it's not
Don't try to make it something that it's not
It is what it is yeah na na na
It is what it is yeah na na na
Trying to sell me something I don't want
Trying to feed me something I don't want

Trying to make me something
Trying to feed me something
Trying to sell me something
Trying to make me something
That I'm not!
