"Never Surrender"

Visit "[Never Surrender](#)" on MotoLyrics.com

The lessons have been tough
Our voices tired and rough
Yet we will never surrender
Our backs against the wall
Sick and tired of it all
Yet we will never surrender

Because you taught us to stand tall
Because you taught us to know our rights
We will never surrender
We will keep up the fight

Are you near the edge my friend?
Have you reached the end again?
I'll take your hand my friend
Together, Hand in hand

Everyday is a new day
To not forget the sacrifice
We will never surrender
We will keep up the fight

Are you near the edge my friend?
Have you reached the end again?
I'll take your hand my friend
Together, Hand in hand

If you choose to fight you may lose what's right
If you don't you've already lost
And sacrificed your rights
If you choose to fight you may what's right
If you don't you've already lost
And sacrificed your rights

United we stand; Together Hand in hand
United we stand; Together Hand in hand

We will never surrender Together we'll unite
We will never surrender Together we'll unite
We will never surrender Together we'll unite
We will never surrender Together we'll unite
