I love you madly but I'm not blind
I love you deeply but I'm not drowning
This ain't a game my heart is true
Scar tissue built but wound won't heal

This is a state
This is a state
This is a state of emergency

This is a state
This is a state
This is a state of emergency

I'm sorry

What's been said has all been done
The wind can't bend a smoking gun
Why is sorry never enough
Manipulated words deeply they cut

This is a state
This is a state
This is a state of emergency
Yeah

This is a state
This is a state
This is a state of emergency

Woe woe oh woe oh oh
I'm sorry, sorry
Woe oh oh woe oh oh
I'm sorry, sorry

I'm so sorry
All things bound to fall apart
Wasted wishes upon the stars
All things bound to fall apart
Wasted wishes upon the stars
All things bound to fall apart (How do we break
through, break

Through)
Wasted wishes upon the stars
All things bound to fall apart (How do we break
through, break through)
Wasted wishes upon the stars
Shine (How do we break through, break through)
Shine (How do we break through, break through)

This is a state
This is a state
This is a state of emergency
Yeah

This is a state
This is a state
This is a state of emergency

Woe woe oh woe oh oh
I'm sorry
Woe woe oh woe oh oh
I'm sorry

I'm sorry, I'm sorry, I'm sorry. I'm sorry
I'm sorry, I'm sorry, I'm sorry. I'm so sorry
