"Take A Stand"

Visit "[Take A Stand](#)" on MotoLyrics.com

We've forgotten ourselves, lost in this world,
Strangers to each other, culture lost its allure

Convenience and greed have replaced Hozho
And tomorrow's children won't know us anymore

I am of you, I was once your breath
All that you were has become my flesh

This is a call... to all of us,
It's never too late, I am still you
Yeah
Take a stand!
Stand up!
Take a stand!

Stand up for each other, take a stand
Stand up for each other, take a stand
Stand up for each other, take a stand
Stand up for each other, take a stand
Stand up for each other, take a stand
Stand up for each other, take a stand

We've forgotten ourselves, lost in this world,
Strangers to each other
