Gendala gemawan gah bursila  
Gahari durja dukana tercela  
Jundai kekal basawarsa  
Gahari hawiah kembera durja  
Daksina alam mendaga dahina

Burakah buana bojarak azali  
Bianglala berakya membolosi  
Berakah bera membara di hati  
Bandusa menanti bakawali

Bahana atma, berakah nan asfal itu  
Asal tunduk apakala diseru  
Antaboga, jenggala membura  
Jempana durhaka, bara jemawa

Bara... dahara, bahala  
Pawaka... Bainah bahaduri

Elusan kencana, makara dewana  
Dukana cendera ancala jenggala  
Citakan kemala, jelira kebuasana  
Gendewa ijarubi, daluwara maharana

Rizib, durja, usupan atma nan membura  
Kawala azaziel, keranti naraka
