I can feel the storm
Awaiting at my door
It's time to let go or give in

Cause every choice I made
Is the same mistake
I know (I know)
It's all (It's all)
For something

Every chance I get
Fades away
I'll keep moving on

Tomorrows a new day
Don't let it slip away
Cause dreams aren't
Made for nothing
Just think take your time
In your final fight
That live was always worth living

Every chance I get
Fades away
I'll keep moving on

Every chance that I get
I always make a change
And Stay Strong

I know the feeling of being lost
This time I'll turn around and I wont
Stop! Again!
I'll never let it win
Never let me
Stop! Again!
I'll never let it win
No I'm changing

Every chance I get
Fades away

I'll keep moving on

Every chance I get
Fades away
I'll keep moving on

Every chance that I get
I always make a change
And stay strong
