"Holding On"

You RUN!

The air we breath the things we seen
Look farther then you moved
I can't bare to let this go
But what else can I do?
I CAN'T MOVE!

Cause I'm holding on
Feeling stronger
Holding on
To you, to you now

From far away I've seen a face
That I know so long
Where the hell have you been
You never even cared
BUT NOW YOU'RE GONE!

Tell me how you can
Make things feel right
If You won't stay

Cause I'm holding on
Feeling stronger
Holding on
To you, to you now

I can't erase the scars (Inside)
It's killing me but I survive (Survive)
I broken every tie I have with you
Still holding on inside

What can I (What can I)
What can I (What can I)
What can I do?

Holding on
Feeling stronger holding on
To you, to you

Tell me how you can
Make things feel right
If You won't stay

Tell me how you can
Make things feel right
If You won't stay
