"Letting Go"

I'm making a new way
I'm looking at this world
And I won't be over come
When time to burn
You know, you'll see
Will you look at me?

I'm sorry, I'm evil now
To look through darkness
I can't be responsible for letting go

I've cut off the lame off
And watch them hit the floor
It's harder then most would know
To seal the doors
You know, you see
Will you look at me?

I'm sorry, I'm evil now
To look through darkness
I can't be responsible for letting go

We only get one chance
To prove our wrong
We can't take a stand
And of these choice
And now we stand
For who we are
We take this whole thing
Way to far
So crawl back down
Into the dance
Enjoy
Never get off

I'm sorry, I'm evil now
To look through darkness
I can't be responsible for letting go

I'm sorry, I'm evil now
To look through darkness

I can't be responsible for letting go
