She's a victim too (A Victim)
Her only fault
So scared inside that
Nothing can't get better

She can't believe (She can't believe)
She's been deceived
She begs and plea's
"Help me please"

And she knows (Knows) how she feels
Cause everyday
She feels something brand new
And you know (Know) how I feel
Cause everyday I have
Something brand new

She steps outside (She steps outside)
To conquer life
Only to find
She could never win
She swept away (She swept away)
By all her pain
And now she sings
You're meant to her world

And she knows (Knows) how she feels
Cause everyday
She feels something brand new
And you know (Know) how I feel
Cause everyday I have
Something brand new

She can't believe
That she been so deceived

She believes in a perfect world
Where nothing go's wrong
Where she can stay strong
She believe's that something good
Will come and save her

From this endless night

And she knows (Knows) how she feels
Cause everyday
She feels something brand new
And you know (Know) how I feel
Cause everyday I have
Something brand new

She steps outside
To conquer life
Only to find that
She can't win
