we can do anything
just you and me baby
wait and see
hmmmm

Hold on
sleep tight
are you ready for a crazy ride
your on your own it aint right
somethings gotta give tonight

so if you wanna run
run n disapear
you and i can bust our way right out of here

togeather we can
shoot the moon
stop the rain
and ride a hurricane
if we wanna
togeather we can
walk in space
save the human race
things will be oright (x2)

if we take our time
we can have it all
i dont think were gona make it on our own

togeather we can
shoot the moon
stop the rain
even ride a hurricane
if we wanna
togeather we can
walk in space
save the human race
things will be oright

togeather we can
walk in space

save the human race
things will be oright
