Yeeah!

I feel like a motor police parade
I feel like a motor police parade
I'm sizzling in the summer shade
I'm sizzling in the summer shade

Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard

Warm tooth in a bloody cage
Warm tooth in a bloody cage
Small shark in a muddy bay
Small shark in a muddy bay

Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard

Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard
Drunk mans word is what you heard
It's what you heard
It's what you heard
It's what you heard
It's what you heard
