"Running On My Path"

I've crossed many ways
To find my own destiny
This sailing ship has now returned
To the place where it wants to be

Curse!
All the lies!
All the pain!
All these attic demons!
I know what's right for me
The path is here to see
I know what's right for me
Running on my path!

Like a wheel I'll never stop
I'm a soldier without a gun
I have the skill to untie the knot
Got all the power of the Sun!

Curse!
All the lies!
All the pain!
All these attic demons!
I know what's right for me
The path is here to see
I know what's right for me
Running on my path!

I'm no stranger to the past
The sense of belonging is intact
Too much I own to the ones of my kind
The air that I breathe that's a fact!

Curse!
All the lies!
All the pain!
All these attic demons!
I know what's right for me
The path is here to see
I know what's right for me
Running on my path!
