Rumor has it she's a mess
Across the room you'd never guess
By the way she moves and the way she's dressed
She never fails to impress

I took one look and I caught her eyes
She's got me hooked and its no surprise
It's like a game so I'll roll the dice
But I'm feeling weak, I need to try

I can't explain it
I'm wrapped around your finger
But I'm loving every minute
I can't believe I'm happy - are you happy?
Now I hope I don't wake up and ruin it all

Her body moves in perfect time
I've got a feeling I can make her mine
All I need to do is do this right
I move in close and I put my

Hands on her hips, I'm barely breathing
I still taste her lips, I must be dreaming
It's like a game so I'll roll the dice
But I'm feeling good and I won't think twice

I can't explain it
I'm wrapped around your finger
But I'm loving every minute
I can't believe I'm happy - are you happy?
Now i hope I don't wake up and ruin it all

Can you feel it baby
Every time we kiss
Everything around us slowly
Seems to not exist

I can't explain it
I'm wrapped around your finger
But I'm loving every minute
I can't believe I'm happy - are you happy?

Now I hope I don't wake up and ruin it all
