So many times  
That you have lied  
How do you feel inside  
Coming home late  
Making your parents go insane  
Insane

Chorus: wow your stories  
They get so interesting  
So entertaining  
Tears start falling  
They start clap  
Why do they have to be  
Sarcastic  
My teenage mind  
My teenage mind

Thinking about  
Running away  
But you have apifany  
You have nowhere to stay  
To stay  
Snuck out and got a tattoo  
What are your parents going to think of you  
Of you

Chorus: wow your stories  
They get so interesting  
So entertaining  
Tears start falling  
They start to clap  
Why do they have to be sarcastic  
My teenage mind  
My teenage mind
