A fire is lit underneath the stars exploding gifts like
unanswered dreams
Float to the clouds and taste unspoiled rain
Kissing the moon and leaving behind pain
Pray on my knees to those who'll listen and everyday is
great from a distance
Am I in a trance or the only one to see?
It's me
Is it me
Is it me
Is it me
A fire is lit underneath the stars exploding gifts like
unanswered dreams
Float to the clouds and taste unspoiled rain
Kissing the moon and leaving behind pain
Pray on my knees to those who'll listen and everyday is
great from a distance
Am I in a trance or the only one to see?
It's me
Is it me
Is it me
Is it me
