What have I become  
I was a fool  
I was selfish  
You were the only one  
You didn't want me  
Although you did me believe  
Because of you  
I can't eat  
I can't sleep  
I can't live

You did me believe that you loved me  
You could do with me whatever you wanted  
You used me  
And then you ignored me  
Ignored me

Look what you have done  
Do you realise that  
The damage is big  
Yes my mind is strong  
But you cracked it  
When you said no  
You could  
Break my neck  
Break my bones  
But you broke my heart

You did me believe that you loved me  
You could do with me whatever you wanted  
You used me  
And then you left me  
left me

(instrumental piece)

I thought I knew where I belong  
Even if you're not with me  
I think of you  
But my love for you is wrong  
Cause you don't want me

And you don't need me  
You did  
Hurt me  
Ignored me  
And then you left me

You did me believe that you loved me  
You could do with me whatever you wanted  
You used me  
And then you dumped me  
dumped me

Yeah you don't want me  
you don't want me  
you don't want me
