No matter where we come from,
We can be ourselves, and still be one!

Amigas Cheetahs, friends for life,
The rhythm and each other, that's what keeps us tight.
Amigas Cheetahs, living the dream,
Nothing is ever gonna come between amigas.

What could be any better than knowing someone will be
there when
You gotta pour your heart out, tell your secrets, too.
Someone who lets you be yourself, there when you
need help,
They've got your back, win or lose.

Amigas Cheetahs, friends for life,
The rhythm and each other, that's what keeps us tight.
Amigas Cheetahs, living the dream,
Nothing is ever gonna come between amigas.

Kicking it with them just for fun or when you need the
411,
Someone who gives a shout-out when you lose your
faith.
Just when you think nobody can ever understand,
They're right here to show you the way, (show you the
way, yeah-yeah!)

Na-ah, na-ah,
Na-ah, na-ah, (oh-oh.)
Na-ah, na-ah,
Na-ah, oh.
Yeah-yeah-yeah, friends for life.

Amigas Cheetahs, friends for life,
The rhythm and each other, that's what keeps us tight.
Amigas Cheetahs, living the dream,
Nothing is ever gonna come between amigas.

Ya que stamos juntas, estamos en un mundo,
Donde somos uno por la musica.

If we just believe it, you know we can be it,
Nothing can stand in our way, stand in our way!
Oh-ho.
