There's a word of kindness from you I've never heard it
Nobody else but me, and spend around this lousy day
until it's perfect
Just you wait and see

Chorus:

Woh, woh, I'm gonna break through
I'm gonna have some fun
That's what I'm gonna do
Woh, woh, we'll go without you
I'm gonna have some fun
That's what I'm gonna do
La la la la la, la la la la la
Don't bother me
I'm too busy having fun
La la la la la, la la la la la
Don't bother me
I'm too busy

If there's a key to this hidden door I'm gonna find it
No one can keep me out of the sun
And when the winds starts to come I'll never mind it
There was never a doubt
Cause I have the power to change my life from one day
at a time
hour, by an hour I'll be fine
I'll be alright

Chorus

Cause I have the power to change my life from one day
at a time
hour, by an hour I'll be fine
I'll be alright

Chorus

There's a word of kindness from you I've never heard it
Nobody else but me, and spend around this lousy day
until it's perfect
Just you wait and see

Woh, woh, I'm gonna break through
I'm gonna have some fun
That's what I'm gonna do
Woh, woh, we'll go without you
I'm gonna have some fun
That's what I'm gonna do
La la la la la, la la la la la
Don't bother me
I'm too busy having fun
La la la la la, la la la la la
Don't bother me
