I thought my life'd be perfect  
Thought My life'd be fine  
but when u came into my life  
Boy u changed my mind  
I loved u so..  
But i didnt know  
u were just playing a game,  
Should have known ur so lame

But its no use anymore,  
so i just lay on the floor and cry

My Broken heart..  
Since we fell apart..  
U were so far away..  
And even today,  
I still miss u even though..  
U played me like a fool..  
but im still broken inside

Wish you could have told me,  
that we'd never ever be,  
U felt sorry for me  
U got my hopes up  
made it feel like a dream  
but now ur just a thought since i woke up in a scream.

I never really understood why we didnt last  
but baby boy now,  
I could say it was a blast

Chorus

I was such a fool  
Could'a had ne one else  
but i sat like a dummie and stuck with u  
Lemme be..  
Just forget about me  
cuz my broken heart cant take this hurting away..  
From the day we split apart

Chorus2x  
You came in my life  
Messed it up  
then changed my mind  
boy Im not that kind

thought my life'd be perfect,  
so i thought my life'd be..... fine
