Ch-Ch-Ch-Cheetah, Cheetah
Ch-Ch-Ch-Cheetah, Cheetah
Woo! Come on now!

Ch-Ch-Ch-Cheetah, Cheetah
Ch-Ch-Ch-Cheetah, Cheetah

This girl is a friend for life
I'm gonna be there when you need me, that's right
Yeah, this girl's never gonna change
No matter where I go I'll still be the same

And this girl wants to have some fun
So put your hands up 'cause we've only begun
And there's no stopping us because
We got that Cheetah love

We are Cheetah Cheetah Girls, we stick together for
life
Sometimes we don't see eye to eye but we roll side by
side
There is nothing in the world that we can't overcome
Strength in numbers, got each other, got that Cheetah
love, oh!

Ch-Ch-Ch-Cheetah, Cheetah
Ch-Ch-Ch-Cheetah, Cheetah
Ch-Ch-Ch-Cheetah, Cheetah
Cheetah love

I know there's a place to turn
When I really need you to you put me first
And my girls they've always got my back
No matter what happens I can count on that, oh!

And we don't wanna escape it all

My sisters are always gonna be my first call
'Cause there's no stopping us because
We got that Cheetah love

We are Cheetah Cheetah Girls, we stick together for
life
Sometimes we don't see eye to eye but we roll side by
side
There is nothing in the world that we can't overcome
Strength in numbers, got each other, got that Cheetah
love

I'll never be someone that hurts you
I'll never be someone who deserts you
We have a bond no one is breaking
And if they try we will still survive

(Cheetah love)
(Cheetah love)
(Cheetah love)
(Cheetah love)
Here we go!

(Cheetah love)
(Cheetah love)
Ho, ho!
(Cheetah)
Cheetah love!

We are Cheetah Cheetah Girls, we stick together for
life
Sometimes we don't see eye to eye but we roll side by
side
There is nothing in the world that we can't overcome
Strength in numbers, got each other, got that Cheetah
love

We are Cheetah Cheetah Girls, we stick together for
life
Sometimes we don't see eye to eye but we roll side by
side
There is nothing in the world that we can't overcome
Strength in numbers, got each other, got that Cheetah
love
