(Galleria) theres a time when we all choose

(Dorinda) to either quit

(Aqua) or follow through

(Galleria) to just lose faith

(Aqua) or trust your heart,  
to somehow lead you through the dark

(Galleria) your not the only one

(Dorinda) who's dreamin'

(Chanel) who needs help to carry on

(All) we might get lonely but were not alone

(Guitar Break)

chorus-(All) cuz we are sisters, we stand together  
we make up one big family though we don't look the  
same

our spots are different, different colors we make  
each other stronger that ain't ever gonna change  
(All) we're cheetah girls cheetah sisters

(Aqua) gotta do what we gotta do got the brains,  
got the power, and we speak the truth

(Chanel) we're from everywhere all around  
the world so you best respect the cheetah girls

(Dorinda) dance and singing from our birth Workin'  
hard

for what we deserve

(Chanel) trying not to break the rules

(All) cause mama didn't raise a fool

(Chanel) it may seem we're only dreamin'

(Galleria) and we need help to carry on

(Aqua) it's good to know we're not alone

[Chorus](All)

(Galleria) Beleive it mister

(Aqua) we're cheetah girls, cheetah sisters

(Dorinda) someones always there behind

(Chanel) to catch us if we fall

[chorus]

cuz we are sisters,(sisters) we stand together

we make up one big family though we don't look

the same our spots are different(different),

different colors(different colors) we make each other

stronger that ain't ever gonna change

(Galleria) Beleive it mister We're cheetah girls, cheetah  
sisters
