Hey yo Mac (yeah)  
I don't think they're ready for this(na na)

Hey yo, all I want is one beat  
One song, one rhyme, just one verse  
With one line, one time  
Cause I'm here to spread the word  
It ain't what you see, yo, it's what you heard  
So cmon, cmon, cmon, cmon  
It don't matter who are just cmon  
White, black, brown, Puerto Rican, or Haitian  
It don't matter who you are, we one hip hop nation  
So cmon, cmon, cmon, cmon  
If you like it what we're saying, then c'mon  
We can turn the party out  
make the people scream and shout  
And then my DJ's gonna do his thing

Uh huh, yeah  
DJ cut & cut, cut em up (yeah,u)

Cmon, cmon, cmon, cmon  
If you like it what we're doing, then cmon  
We can turn the party out, make the people scream and shout  
And then my DJ's gonna do his thing

Cmon, cmon, cmon, cmon  
If you like it what we're saying, then c'mon  
We can turn the party out  
make the people scream and shout  
And then my DJ's gonna do his thing

Uh, woo  
Hey, yo Mac (yeah)  
Man I told ya they wasn't ready for this  
(Ah ha, ah ha, ah ha)  
One love (one love)  
(Yo, yeah)  
Real hip hop music
