Are you sure that you're up for this?  
Do you think that you can handle it?  
This is complicated  
You might get frustrated

We got the moves that you never seen  
Let me show you just what I mean  
There's really no chance  
That you can do all this

Can't keep up  
Can't keep Up  
No

try keep up  
try keep up  
Yeah

Can't keep up  
Can't keep Up  
No

(Oh no, uhum, uhum)  
(Oh no, show me what you got)

Try to follow, watch me now  
If you think that you know how  
Then dance me  
Dance me if you can

Get together or fall apart  
If you think it's not that hard  
Then dance me  
Dance me if you can

Dance me if you can  
Dance me  
Dance me if you can

I Know you think that you're in control  
But watch we move

'Cause this is how we roll  
Work it just like this  
Let's see you trying to do that

What's the matter?  
Can't you figure it out?  
'Cause you look confuse, mixed up, no doubt  
There's really no chance  
That you can do all this

Can't keep up  
Can't keep Up  
No

Try keep up  
Try keep up  
Yeah

Can't keep up  
Can't keep Up  
No

(oh, oh, c'mon, c'mon)  
(Yeah, yeah, show me what you got)

Try to follow, watch me now  
If you think that you know how  
Then dance me (dance me)  
Dance me if you can

(Oh yeah)

Get together or fall apart  
If you think it's not that hard  
Then dance me (dance me)  
Dance me if you can

Is that the best that you can do?  
You gonna have to try much harder

Now is the time to make your move  
You now...  
Hey, hey, get ready  
Hey, hey, let's go

(that's right)  
(here we go)  
(yeah, yeah, yeah)

Try to follow, watch me now  
If you think that you know how

Then dance me  
Dance me if you can

Get together or fall apart  
If you think it's not that hard  
Then dance me  
Dance me if you can

Everybody wants to win (wants to win)  
If you think that you can handle it  
Then dance me  
Dance me if you can

Never easy,  
That's the way (that's the way)  
If you think you got what it takes  
Then dance me  
Dance me if you can (dance me if you can)
