Follow me into my world  
Let your worries fade with every  
step you take  
Baby whatcha' waiting for  
Let the tango take control  
Feel the music inside your soul (Oh)  
My hand is out, just grab a hold

Watch time fade away  
My arms will keep you safe  
It's just you and me  
Dancing in this dream

Whatever you do, don't wake me up  
The feeling's real won't let it  
stop, no

Don't be afraid, take my hand  
Forget the world  
Will you dance, dance with me  
Podemos bailar eternamente  
Trust in me, take a chance  
Feel the Tango  
When you dance, dance with me  
Podemos bailar eternamente

Now I have you next to me  
Everything is how it should be (ooh yeah)  
Baby, don't fight the feeling  
We're floating on the clouds  
If I could, I'd never come back down (no no)  
Baby just keep on groovin' groovin'

As time fades away  
My arms will keep you safe  
It's just you and me  
Dancing in this dream

Whatever you do, don't wake me up  
The feeling's real, won't let it  
stop, no

Don't be afraid, take my hand  
Forget the world  
Will you dance, dance with me  
Podemos bailar eternamente  
Trust in me, take a chance  
Feel the Tango  
When you dance, dance with me  
Podemos bailar eternamente

Dance with me  
(I'm dancing with you)  
For this moment in time  
(My dreams have come true)  
My darling just dance with me  
If for only one night

Don't be afraid, take my hand  
Forget the world  
Will you dance, dance with me  
Podemos bailar eternamente  
Trust in me, take a chance  
Feel the Tango  
When you dance, dance with me  
Podemos bailar eternamente
