Chorus:

Throw your hands up if you know that your a star.
You better stand up if you know just who you are.
Never give up, never say die.
Girl power, girl power.

Throw your hands up if you know that your a star .
You better stand up if you know just who you are.
Never give up cause you've come too far.
Girl power, girl power!

I've made mistakes before .
But I know I'm not perfect.
But it's okay cause who could ever be?

As long as I give my best .
It won't matter what no one says.
Cause deep down in my heart .
I got the power to make it all happen,
YEAH!!!

chorus

And times I may just feel .
Like my back is to the wall.
I hold my head up high.
Keep standing tall .

I know that my back is covered.
Because we have each other.
And we're down for whatever.
If you hear me,
THROW YOUR HANDS UP!!!

Chorus:

Throw your hands up if you know that your a star.
You better stand up if you know just who you are.
Never give up, never say die.
Girl power, girl power.

Throw your hands up if you know that your a star .
You better stand up if you know just who you are.
Never give up cause you've come too far.
Girl power, girl power.

Sometimes life may get you down.
But you better hold your ground.
Can't nobody live your life.
But you stay true to who you are.
And always follow your heart.
Your heart, your heart.....

Chorus:

Throw your hands up if you know that your a star .
You better stand up if you know just who you are.
Never say die.
Girl power, girl power.

Throw your hands up if you know that your a star .
You better stand up if you know just who you are.
Never give up cause you've come too far.
Girl power, girl power.
