[V.1]

If there's a prize for rotten judgement
I guess I've already
won it
No man is worth the aggravation
That's ancient history -- been there done that

[Chorus intro1]

Who'd ya think you're kiddin'
He's the Earth and heaven to you
Try to keep it hidden
Honey, we can see right through you
Girl, ya can't conceal it
We know how ya feel and
Who you're thinking of

[Chorus]

(Shoop Shoop)
No chance, No way
I won't say it, no, no
You swoon, you sigh, why deny it, uh-oh
It's too cliché
I won't say i'm in love

[V.2]

I thought my heart had learned it's lesson
It feels so good when you start out
My head is screaming, "Get a grip, girl!
Unless you're dying to cry your heart out"
Oh

[Chorus intro2]

You keep on denying
Who you are and how you're feeling
Baby, were not buying
Hon, we saw you hit the ceiling
Face it like a grown-up
When ya gonna own up
That ya got, got, got it bad

Chorus...

No chance, no way,
I won't say it, no, no
Give up, give in
Check the grin you're in love
(your in love your in love)

You're doin' flips, read our lips:
you're in love
You're way off base, I won't say it
Get off my case, I won't say I'm in love
I won't say it no, no, I won't say it

[real soft and smooth]
At least out loud, I won't say I'm in love
