Oh yeah...

Woah...

Mhm...

C'mon...

Chanel:

Nobody can sing like me

I can hit every note you give for me

From A to Z

Yes I can

Dorinda:

Nobody can dance like me

I can move to the beat your playin'

Baby with my feet

Yeah yeah..

Aqua:

Nobody can act like me

I can fall to pieces and make you believe almost
anything

All:

I'm the one

Steppin' out and breakin all the rules

All alone (all alone)

Gonna show everybody what I can do

I'm the one

Put your bet on me

Can't you see that

I'm the one

Don't need anybody now

Makin' it on my own

Vikram:

She can turn every word

into a lovely melody

Yes she can

Raheem:

Girl's got her own groove

Put the music on
And watch her as she
Does her thing
She can do anything

Amar
My girl is a drama queen
Any role you give her
She does perfectly
Oh, can't you see that

All the boys:
She's the one
She's steppin' out and breakin all the rules
All alone
She gonna show everybody what she can do
She's the one
Put you bet on her
Can't you see that
She's the one
She don't need anybody now
And she's makin' it on her own

Aqua:
I wanna be
The one who everybody knows

Dorinda:
(I'm steppin out, steppin out alright)

Chanel:
I wanna be
The one who's always front and center
For the first time in my life

All:
I'm the one
Steppin' out and breakin all the rules
All alone (all alone)
Gonna show everybody what I can do
I'm the one
Put your bet on me
Can't you see that
I'm the one
Don't need anybody now
Makin' it on my own

All:
I'm the one
Steppin' out and breakin all the rules
All alone (all alone)

Gonna show everybody what I can do
I'm the one
Put your bet on me
Can't you see that
I'm the one
Don't need anybody now
Makin' it on my own
I'm the one
