Some day
Some day, some day, some day my prince will come
Some day, some day, some day my prince will come

Some day my prince will come
Some day we'll meet again
And away to his castle we'll go
To be happy forever I know
Some day when spring is here
We'll find our love anew
And the birds will sing
And wedding bells will ring
Some day when my dreams come true

Some day, some day, some day my prince will come
Some day, some day, some day my prince will come

Some day I'll find my love
Someone to call my own
And I know at the moment we meet
Or my heart will start skipping the beats
Some day we'll say and do
Things we've been longing to
Though he's far away
I'll find my love some day
Some day When my dreams come true

Some day, some day, some day my prince will come
Some day, some day, some day my prince will come

Some day my prince will come
Some day we'll meet again
He'll whisper I love you
And steal a kiss or two

Some day my prince will come
Some day I'll find a love
This welcome day
I find my love some day

Some day my prince will come

Some day I'll find my love
And how thrilling that moment will be
When the prince of my dreams comes to me
He'll whisper I love you
And steal a kiss or two
Though he's far away
I'll find my love someday
Some day when my dreams come true

Some day my prince will come
Some day my prince will come

Some day, some day, some day my prince will come
Some day, some day, some day my prince will come

Some day, some day, some day my prince will come
Some day, some day, some day my prince will come

Some day my prince will come
Some day we'll meet again
He'll whisper I love you
And steal a kiss or two

Some day my prince will come
Some day I'll find a love
This welcome day
I find my love some day
