

Cheetah Girls, The "The Perfect Christmas"

The breeze with snow and mistletoe
The presents under the tree
A GingerBread riding on a sled
It's the perfect christmas to me

The Candy Canes on Santa's lane
The stockings up on the wall
When sleigh bells ring and children sing
"Peace on earth and good will do all."

It's the perfect holiday
Together with the family
It's the perfect christmas to me

It's Rudolph with his nose so bright
The songs we love to hear
All is come and all is right
It's the perfect time of the year

The decorations and celebrations
It's almost christmas day
The night before, anticipating
Santa on his way

It's the perfect holiday
Together with the family
It's the perfect christmas to me

And just like each and every year
I'll always make one wish
'Cause having all of you right here
Is the perfect christmas gift

The Candy Canes on Santa's lane
The stockings up on the wall
When sleigh bells ring and children sing
"Peace on earth and good will do all."

It's the perfect holiday
Together with the family
It's the perfect christmas to me

(It's the perfect Christmas)

It's the perfect time for singing
The whole world in harmony
It's the perfect christmas to me
(Perfect to me-Yeah)

It's the perfect christmas to me
