We can do anythin'
Just you and me babe
Baby baby baby baby babe
Wait and see

Hold on
Sit tight
Are you ready for a crazy ride

Your on your own
It ain't right
Something's gotta give tonight

So if you wanna run..
Run and disappear..
You and I can bust our way right out of here

[Chorus:]
Together we can
Shoot the moon
Stop the rain
Even ride a hurricane
If we wanna

Together we can
Walk in space
Save the human race
Do ya think we oughta? Oughta?(2x)

[Chorus:]

If we take our time
We can have it all

I don't think were gonna make it on our own

Together we can
Even can ride a hurricane
If we wanna

Together we can

Walk in space
Save the human race
Do u think we oughta? Oughta?

Together we can!
