Yeah, Yeah
Yeah, Yeah

Picture it perfect, ya
Don't hesitate to live your dreams
That's more then worth it
Oooo
If you know what you want to be...

Why wait
When now is the right time
Today will just pass you by
Why wait
It's your turn
It's your life
The future is what we make
So why wait

You've got to reach out(yeahh)
And see the world is in your head
I know you know how
You just got to go for another chance

So Why wait
When now is the right time
Today will just pass you by
Why wait
It's your turn
It's your life
The future is what we make
so why wait

Ooh, aqui estas conmigo,
Para vivir y cumplir tus suenos.
Y luchar por lo que has querido,
Encuentra tu luz, sigue, vive sin miedo

(Instrumental)

Why wait
We're ready to do this

No way you can ever restart

Why wait

Tomorrow can be so

Far away your already here

Why wait you've just gotta let go

You gotta believe in yourself all the way

You know you got what it takes

So why wait!
