Friday night, Rusty Nail
They were rockin' like karaoke rockstars
A little Hank, a lotta tail
Shakin' what they got like Shakira on the dance floor
It started with a drink
She gave him that "come and get me" wink

So they moved it from the bar
From the bar to the truck
From the truck to the blanket
Underneath the moonlight
Blanket to her front porch
Danced her through the front door
Groovin' all night like a Hesston Hay Baler
You don't go knockin' when they're rockin' that trailer

Yeah, you don't go knockin'

She told her friends, "I got a ride
With this James Dean in a pickup".
He paid his tab, he told his buds
"Boys tonight I think I'm in luck
Aw hell, this love thing is easy
Just take a little lesson from me"

They moved it from the bar
From the bar to the truck
From the truck to the blanket
Underneath the moonlight
Blanket to her front porch
Danced her through the front door
Groovin' all night like a Hesston Hay Baler
You don't go knockin' when they're rockin' that trailer

The girls at the office will be talking come Monday
And all they can say

Is they moved it from the bar
From the bar to the truck
From the truck to the blanket
Underneath the moonlight

Blanket to her front porch
Danced her through the front door
Groovin' all night like a Hesston Hay Baler
You don't go knockin' when they're rockin' that trailer
That's right!

Rockin' all night, all night, all night
