BRING A LITTLE LOVIN' - 1966

(Vanda/Young)

LOS BRAVOS

I know that it's ten and you're stayin' in

La la la la la la la la la

And you're stayin' home and I'm all alone

La la la la la la la la la

Wont you won't you won't you

Bring a little water bring a little wine

Bring a little lovin' I feel fine

Know that you want to I know that you do

Come in here and love with me

If I enduring brain but it's all the same

La la la la la la la la la

I'm payin' for this call and I don't mine at all

La la la la la la la la la

Wont you won't you won't you

Bring a little water bring a little wine

Bring a little lovin' I feel fine

Know that you want to I know that you do

Come in here and love with me

Wont you won't you won't you

Bring a little water bring a little wine ...
