She said, "I've got to be honest, you're wasting your time if you're fishin' around here."

And I said, "You must be mistaken, I'm not foolin', this feeling is real."

She said, "You've gotta be crazy! What do you take me for? Some kind of easy mark?"

"No, you've got wits, you've got looks, you've got passion,
but I swear that you've got me all wrong."

All wrong.
All wrong.
But you've got me.

I'll be true, I'll be useful, I'll be cavalier, I'll be yours my dear,
I'll belong to you if you just let me through.

This is easy as lovers go. So don't complicate it by hesitating.

This is wonderful as loving goes.

This is tailor-made, what's the sense in waiting?

I said, "I've got to be honest, I've been waiting for you all my life."

For so long I thought I was asylum bound, but just seeing you makes me think twice.

And being with you here makes me sane. I fear I'll go crazy if you leave my side.

"You've got wits, you've got looks, you've got passion,
but are you brave enough to leave with me tonight?"

Tonight.
Tonight.
You've got me.

I'll be true, I'll be useful, I'll be cavalier, I'll be yours my dear,
I'll belong to you if you just let me through.

This is easy as lovers go. So don't complicate it by
hesitating.
This is wonderful as loving goes.
This is tailor-made, what's the sense in waiting?
