There is something that I see  
In the way you look at me  
There's a smile  
There's a truth in your eyes

What an unexpected way  
On this unexpected day  
Could it be, this is where I belong?  
It is you I have loved all along

There's no more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
It is you I have loved all along

There are times I've ran to hide  
Afraid to show the other side  
Alone in the night without you  
But now I know just who you are

And I know you hold my heart  
Finally, this is where I belong  
It is you I have loved all along

No more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
And it is you I have loved all along

Oh, over and over, I'm filled with emotion  
Your love, it rushes through my veins  
And I am filled with the sweetest devotion  
As I look into your perfect face

There's no more mystery  
It is finally clear to me  
You're the home my heart searched for so long  
It is you I have loved  
It is you I have loved
