Darkchild, oh yeah
Toni Braxton, oh
Ha-ha, uh-huh
Yeah, uh, uh
Darkchild yeah

Listen girl
Who do you think I am?
Don't you know that he was my man?
But I chose to let him go
So why do you act like
I still care about him?
Looking at me like I'm hurt
When I'm the one who said I didn't
want it to work
Don't you forget I had him first?

[1] - What you thinkin'?
Stop playing me
He wasn't man enough for me
If you don't know now here's chance
I've already had your man
Do you wonder just where he's been, yeah?
Do not be worried about him
Now it's time you know the truth
I think he's just the man for you

[2] - What are you thinking?
Do you know about us back then?
Do you know i dumped your husband,
girlfriend?
I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me

Listen girl
Didn't he tell you the truth?
If not then why don't you ask him?
Then maybe you can be more into him

Instead of worrying about me
And hopefully you won't find
All of the reasons why his love didn't
count And why we couldn't work it out

[Repeat 1]

[Repeat 2]

[Repeat 2]

Oh yeah So many reasons why our love is
through, yeah
What makes you think he'll be good to you, no
It makes no sense cause he will never change
Girl you better recognize the game, oh yeah

What are you thinking?
Do you know about us back then?
Do you know i dumped your husband,
girlfriend?
I'm not thinking 'bout him
But you married him
Do know I made him leave
Do you know he begged to stay with me He wasn't man
enough for me [Repeat 2 to fade]
