I feel before we go any further  
I think that I should let you know  
I've got a boyfriend  
And I would hate to do  
Anything to hurt him  
So my loyalty I'll show  
Don't wanna cheat on him  
Never been the kind of girl  
Who'd be unfair in relationships  
I don't wanna lead you on  
No I

Don't want a love affair  
I ain't never been the kind to cheat  
Cause that ain't me  
Don't want a love affair  
See I ain't down with o.p.p.  
No I  
Don't want a love affair  
It doesn't matter if we're being discreet  
Cause that's not me  
Don't wanna play around I ain't down with o.p.p.

Now you're startin' to  
Look real good to me  
But I think it's best you go  
Before we go too far  
Gotta try to resist temptation  
That way nobody gets hurt  
I got a boyfriend  
Even if I was your girl  
I still wouldn't give myself to another  
Why can't you just understand  
That's just the way I am

Don't want a love affair It doesn't matter if we're being  
discreet  
Cause that ain't me  
Don't want a love affair

As long as my man's lovin' me  
Don't want a love affair  
It doesn't matter if we're being discreet  
That's not me  
Don't wanna play around  
I will never kiss and tell

Can't believe that you would say you still  
Would have respect in the morning  
When i just couldn't respect myself
