Explain to me, honestly, who is she  
Tell me you don't love this girl  
Damn it boy, why'd you go and ruin everything that I  
been livin' for  
Is this where I'm supposed to turn my back  
Cry a tear and walk away  
Before I do, a word to you, you should know  
Know you've make a big mistake

Why? When? Where? How? Who?  
What made you go off and do this crazy thing  
Thought I loved you good, loved you all I could  
Never just for a ring  
Why? When? Where? How? Who?  
What made you go off and lose your mind this time  
Treated you so good, but you knew I would  
Never just for a ring

Proud to say, everyday, that I stayed  
Very much in live with you  
Even though I'll never know what it's like  
To hear you say the words "I do"

Why? When? Where? How? Who?  
What made you go off and do this crazy thing  
Thought I loved you good, loved you all I could  
Never just for a ring  
Why? When? Where? How? Who?  
What made you go off and lose your mind this time  
Treated you so good, but you knew I would  
Never just for a ring

So, no more holding hands  
No kisses and no wedding plans  
Our love was just a lie  
So now, I'll go an cry  
Oh, why?

Why? When? Where? How? Who?  
What made you go off and do this crazy thing  
Thought I loved you good, loved you all I could

Never just for a ring  
Why? When? Where? How? Who?  
What made you go off and lose your mind this time  
Treated you so good, but you knew I would  
Never just for a ring
