Lyrics by Toni Braxton

Music by Keith Crouch for Human Rythm Productions

So you know everything about your lover  
Wanna bet

My oh my  
How can this be there he goes  
Talking in his sleep  
By and by  
He will connive does he know  
He's talking in his sleep

The affair okay  
He's corrupt  
What do I do, what do I say  
I feel ashamed, embarrassed, fatigued  
Such a petty crime of sexual indiscretion

At night when he lays down  
How I wish I could not hear the sound  
But I could  
Oh the things that he said

My oh my  
How can this be  
There he goes talking in his sleep  
By and by  
He will connive does he know  
He's talking in his sleep

Adultery that's what the call it  
When you're married  
Tell me something  
Why is it that the men are forgiven and the women  
aren't  
I don't know maybe, maybe I should forgive him  
Maybe I'm over-reacting what do you think...not!

The promises he made  
Said we'll be together for always

He's such a liar  
Then he calls out her name

My oh my  
How can this be  
There he goes talking in his sleep  
By and by  
He will connive does he know  
He's talking in his sleep

Guilty secrets  
They are haunting my life  
And he doesn't even know that I know  
Can you hear him

The promises he makes  
Said we'll be together for always  
He's such a liar  
Then he goes out to burn me

My oh my  
How can this be  
There he goes talking in his sleep  
By and by  
He will connive does he know  
He's talking in his sleep
