i don't know how to say that i love you
but i do and that's harder than you know
i've been too scared to tell you that i'm sorry
and it makes me sick to think that you don't know
four long years ago
and this is where we are
left with lies and pain and my
broken, bleeding heart

[chorus]:
you left me hanging
holding on to you
and nothing's changing
because there's nothing i can do
to make you see
that i need you to be
holding on to me

sometimes i wonder
how did we get here
though we haven't come so far
since that first september
but you don't remember
and it shouldn't be this hard

[chorus]

i guess there's just no point in
trying to explain

[chorus 2x]

i've been holding on to you
but now i'm letting go
