Try to bend me, try to shake me Try and turn my head around Oh try to change me, rearrange me I think you know about the boy you found A fantasy like this is hit and run Younger girls Oh, how I love those younger girls Younger girls Oh, how I love those younger girls I had a dream about girls like you You said call us, you'll get two Run for your money, two for the show I'll give you something more I know, I know, I know, I know It's hard enough to make you wanna cry Younger girls Oh, how I love those younger girls Younger girls Oh, how I love those younger girls It's hard enough to make you wanna cry And it drives me out of my mind I'm in love with you, baby My poor innocent baby, don't you say maybe Younger girls Oh, how I love those younger girls Younger girls Oh, how I love those younger girls Feels so good, let me in I might jump right out of my skin Don't you ever grow up little girl Sweet young thing, not so innocent Younger girls Oh, how I love those younger girls Younger girls
