Bare yourself lover, or don't move me one way or the other.

Like a limp hand raised from a hospital bed,  
Don't be silly and squander what yer obliged to accept?

When I'm utter putty I'm wetblanketfully lay lumpen  
I feel red hot heart's heat beneath left teat a thumpin?  
ooooow

Hold me, hold me, through dark night  
With soft snug, in a warm fug, I'm sleepy and satisfied  
My mollycoddler treat me like a toddler, I cling to her  
so tight

Hold me through dark night?

When I'm utter putty I'm wetblanketfully lay lumpen  
I feel read hot heart's heat beneath left teat a  
thumpin? ooooo

Hold me, hold me, through dark night  
With soft snug, in a warm fug, I'm sleepy and satisfied  
My mollycoddler treat me like toddler, I cling to her so  
tight

Hold, hold, hold me through dark night?
