I guess I'll take the long way home tonight
I drive as far as I can drive
Just to escape the fight
I never said you couldn't hate me
I never said you couldn't shake
So don't cry now baby,
Cause you're way too good for that.

It's your sweet perfume
The scent of you
I tense my toes and close my eyes
As I whisper to you
It's your sweet perfume
The scent of you
That I oh, no no no

Let's let our bodies sleep in today
Your bones are much too fragile anyway
Your love face your lovely touch
I can't find a bone of love in you

It's your sweet perfume

The scent of you
I tense my toes and close my eyes
As I whisper to you
It's your sweet perfume
The scent of you
That I oh, no no no no

I wanna feel the beat of your selfish heart
As our bodies melt into one in the dark
I wanna hold you close as we fall into the night

I tense my toes and close my eyes
As I whisper to you
It's your sweet perfume
The scent of you
That I oh no, I don't know

I wanna feel the beat of your selfish heart
As our bodies melt into one in the dark

I wanna hold you close as we fall into the night
