It was late last night before she hit me up  
And baby, don't you know nothing good happens after  
midnight?  
You see the night before I couldn't keep my hands off  
her  
Yeah I wanted to drink her up

Her body burned like a fire and I knew  
I knew I couldn't take anymore from her

I'm burn, burn, burnin', yeah my stomach's turning  
My heart's giving into my eyes  
I'm stare, stare, starin' at the skin she's sharing  
My heart's giving into my eyes  
But now it's too late  
For me it's too late  
I'm burn, burn, burnin', yeah my heart's giving into my  
eyes

She stood 5'4  
She had the brightest green I'd ever seen  
I'd never seen these eyes before  
And just like that I was hypnotized  
I sit back, I roll fat  
While thinking of you  
And I knew I couldn't take anymore from her

I'm burn, burn, burnin', yeah my stomach's turning  
My heart's giving into my eyes  
I'm stare, stare, starin' at the skin she's sharing  
My heart's giving into my eyes  
But now it's too late  
For me it's too late  
I'm burn, burn, burnin', yeah my heart's giving into my  
eyes

I'm sweating bullets like a boy that has just been  
caught  
You say your love is all I need but I don't need a lot  
You say that you're sorry but I know that you're not

I'm sweating bullets like a boy that has just been

caught

You say your love is all I need but I don't need a lot  
You say that you're sorry but I know that you're not

I'm burn, burn, burnin', yeah my stomach's turning

My heart's giving into my eyes

I'm stare, stare, starin' at the skin she's sharing

My heart's giving into my eyes

Now it's too late

For me it's too late

I'm burn, burn, burnin', yeah my heart's giving into my  
eyes

Now it's too late

For me it's too late

I'm burn, burn, burnin', yeah my heart's giving into my  
eyes.
