There's something wrong
Now i understand it
Three nights long
I dream about a rabbit
I'm not sure
I could have a problem
I think I'm scared
No I'm fucking nervous
I don't know how
But it can't be true
I need some time
Forget to thank you
I remember last night with the rabbit
Last night with the rabbit

There's nothing wrong
I don't understand it
A normal dream
Just about a rabbit
Now I'm sure
I don't have a problem
I'm not scared
I'm a little bit nervous

Yes I'm only nervousâ€¦
Yes I'm only nervousâ€¦
Yes I'm only nervousâ€¦
