Can't seem to find a way
To take my soul and set it free
I'm locked up in a cage a mental penitentiary
I'm lost inside me I don't know where to go
I wish I could trust someone enough to show me

Tell me where you think I've gone wrong
Why is it taking you so long
I'm getting higher everyday
A dead end road that goes one way

I wish that I could feel
Just like a kid in a candy store
Somehow I just don't feel
Like picking my head up from this floor
You don't understand me and I try to talk to you
But words somehow they seem unnecessary
