Well have you seen that light  
Burning in the window of time  
As you get closer to that dream  
It falls by the wayside

Can you hold your head up  
In the winds of change  
Woh, you've been waiting for the deliverance  
But it never came

Woh don't look down  
Yes I know you're on shaky ground  
Yeah well here I come  
The devil's boy, I'm a loaded gun

Baby I'm the one  
Baby I'm the one (don't you know me)  
I am the keeper of the Midnight Sun

I'm not what you expected  
I'm spittin' fire and smoke  
Yeah I'll burn my way into your life  
Put a tattoo on your soul

Woh you hold back  
Bank on this boy and that's a fact  
I can break that spell  
'Cos what I do, I do very well

Hey baby I'm the one  
Baby I'm the one (yeah you know me)  
I am the keeper of the Midnight Sun  
Baby I'm the one (I am the chosen one)  
Baby I'm the one (I'll be the only one you need)  
I am the keeper of the Midnight Sun

Woh don't look down  
Yes I know you're on shaky ground  
Yeah well here I come  
The devil's boy

Hey baby I'm the one  
Baby I'm the one (yeah you know me)  
I am the keeper of the Midnight Sun  
Baby I'm the one (I am the chosen one)  
Baby I'm the one (I'll be the only one you need)  
I am the keeper of the Midnight Sun

Midnight Sun  
Midnight Sun  
Midnight Sun  
Midnight Sun
