RENDEZVOUS

Yes I had a dream
Like a million kids from my home town
We found love on dirty streets
If I knew then what I know now
From discotheque to home
There was no place left for us to go

Now we're on the road to our Rendezvous
With nothing, there's nothing to lose

How can you fly with your feet on the ground
Take all of your dreams, let's get out of this town
I'll meet you tonight and we'll run to the flame
Just hold on, it's all right, it's our time
To Rendezvous! these chains are broken

We restaurant racketeers
Making plans to get us outta here
She looked good against the highway
As my hands were shaking at the wheel

Woh, still on the road to our Rendezvous
With nothing, there's nothing to lose

How can you fly with your feet on the ground
Take all of your dreams, let's get out of this town
I'll meet you tonight and we'll run to the flame
Just hold on, it's all right, it's our time
To Rendezvous! these chains are broken

And when it's over and done you'll see it's alright boy
You say that there's danger tonight
But I say hold on! hold on

Just hold on, it's alright, it's our time

How can you fly with your feet on the ground
Take all of your dreams, let's get out of this town
I'll meet you tonight and we'll run to the flame

All of our chains will be broken

Hold on boy

Hold on

I'll meet you tonight and we'll run to the flame
