Sweet Seduction

Well over my head
Out of my mind
I want the sun don't shine
But I still feel pain
I've been standing in the light
Like that first time, with you

And I wonder what you're doing tonight
While my car feels cool
I can see you light
I can feel you drift away
In a history, so long

(Goodbye, Goodbye, Goodbye)
You and me now, we have trouble
Don't you know that the devils going to touch me today
So long my Sweet Seduction, of mine
Wooooooo
Oh yeah

Down on the street
There in my car
Wait till the morning brings
We've got to find
You were hiding in the rain
At my hotel all night

And I gave myself up
Yes I gave myself up
And I gave myself to you
Whoa, yeah

(Goodbye, Goodbye, Goodbye)
You and me now, we have trouble
Don't you know that the devils going to touch me today
So long my Sweet Seduction, of mine
Wooooooo
Hey, hey

What a good time
God it's falling, it goes bad
Well it couldn't, cause it never last
My Sweet Seduction
It's all we had
But there's no way, I could live in the past
Hey, hey
Alright
Hey, hey
Alright

And I gave myself up
Yes I gave myself up
What I gave myself to you
Whoa, yeah

(Goodbye, Goodbye, Goodbye)
You and me now, we have trouble
Don't you know that the devils going to touch me today
So long my Sweet Seduction, Oh yeah
Woouoooooooo

You and me now, we have trouble
(Hey)
You and me now, we have trouble
(Goodbye)
You and me now

Hey, Hey
(Alright)
Alright
(Alright, Alright)
My my my my Sweet Seduction
(Alright, Alright)
